

St. Peter the Fisherman

EPISCOPAL CHURCH

Welcome Prospective Candidates!

On behalf of the congregation and Vestry of St. Peter the Fisherman Episcopal Church, we want to thank you for considering our call for a new Rector. Our mission is to "Know Christ and make Him known." We strive to do that at St. Peter's through our deeply spiritual worship, open welcome to all, and casual vibe that fits with our beachside community. We open our hearts and minds to the teachings of Jesus each Sunday—two services in our beautiful sanctuary, once on the public beach nearby and anytime at home via our livestream and YouTube channel—and on Wednesday during the week. We particularly value sermons that help us navigate in today's complex world.

In the coming years we hope to build on our success while expanding our base of families, enhancing our outreach and music and strengthening our church community through more regular opportunities for fellowship. We are looking for an experienced spiritual leader who, with the support of our amazing Deacon and Vestry, has the knowledge, energy, joy and warm personality to take on these challenges.

The content on this website offers more insight into St. Peter's and the opportunities for personal growth and enjoyment in New Smyrna Beach. Please explore the information and if you have any further questions about the Parish itself, please reach out to search@stpetersnet.net for a confidential response. If you decide this call is for you, all expressions of interest and applications should be sent to The Rev. Canon Scott T. Holcombe as described on this webpage.

Again, thank you for your interest in St. Peter the Fisherman and God's blessing to you as you consider your future.
